

Culvert Installation Policy

9.99 Acres or less – Landowner will provide the culvert at their expense and Keith County will install the culvert at our convenience for no charge.

10 Acres or more – Keith County will provide up to 1 – 24” x 40’ culvert installed, at our convenience. Any additional length or increased diameter (as determined by the County Highway Superintendent) that is needed will be the landowner’s responsibility to purchase.

Any costs occurred in widening an existing driveway or field entry will be at the expense of the landowner.
